YORK RITE BODIES

Raleigh, N. C.

January 1, 1957

THE YORK RITE OF FREEMASONRY

"The name York Rite is derived from the legend that assigned the origin of English Freemasonry to the City of York. Indeed, all degrees derived from the Grand Lodge of England are York Rite Degrees, including the first three. As a result of this common parentage, the degrees of the York Rite follow the familiar pattern of the Lodge.

"York Rite Masonry is organized and known by Bodies of which there are three: The Chapter, the Council, and the Commandery. The Chapter is composed of Royal Arch Masons who have found further light in the degrees of Mark Master, Past Master, Most Excellent Master, and the Royal Arch. The Council of Royal and Select Masters confers the Royal Masters and the Select Masters Degrees, and at intervals the degrees of Super Excellent Master. The Commandery of Knights Templar, which is an organization of Christian Masons, confers Orders, not degrees, which are the Illustrious Order of the Red Cross, the Order of Malta, and the Order of the Temple."

Agreeable to an ancient custom all Commanderies hold special conclaves on Christmas Day and on Easter Sunday to observe these world-wide religious holidays.

Since complete York Rite Masonic Bodies are to be found in over 40 cities and towns in North Carolina, the membership of the Raleigh Bodies is made up of Masons from Wake and Johnson Counties only, with members living in nearly ever State in the Union.
